

BUCKEYE CENTRAL BUS ROUTES FOR 2009-2010

The Buckeye Central Local School will be starting the 2009-2010 school year on Monday, September 14, 2009 at their New Building at 938 South Kibler Street in New Washington. This building is a kindergarten thru 12th grade building. We will be transporting students 5th grade thru 12th grade on the first conveyance and kindergarten thru 4th grade on the second conveyance.

If your child will be driving to school they will need to use the South Kibler Street entrance and proceed to the student parking lot.

If you will be dropping off or picking up your student at school you will need to use the Guiss Road entrance and proceed to the student drop off and pick up loop. You will not be able to park your car and come in. You will only be able to drop off or pick up your student.
