

BUCKEYE CENTRAL PTO

A special THANK YOU to all of our volunteers for their support, hard work and dedication this past school year. We could not make all of our activities happen with you!

We are EXCITED to announce that this year, the PTO will be bringing in Art into the classrooms once a month. This special initiative will help our kids develop confidence, think critically, use creativity and to love learning. Every month we are arranging Performances, Experiences and Connections. We will have plenty of parent volunteer opportunities to help out. Last year our fundraising efforts made this possible with the PTO funding 100%. Schedule of monthly art dates are listed below.

The PTO would like to encourage every parent and/or guardian to take a step into the school and observe your child soaring to new heights. Being a parent volunteer is the perfect opportunity to do so. Please join us at our PTO monthly meetings on the 2nd Monday of every month. Starting at 6:30pm in the school library. Free child care will be provided by our National Honor Society students. What a perfect way to let your voice be heard. We look forward to seeing everyone!
