

**Buckeye Central Middle School
School Year 2015-2016**

Parents and Guardians,

Throughout the year we photograph students working on projects; participating in field trip activities; and participating in other school activities such as assemblies. These pictures are used for display in the classroom and hallways; in our Buckeye Central monthly newsletters; and in local newspapers. As educators, we are eager to share what our students are doing. Photographs add interest to articles promoting school activities and initiatives.

Please complete this form and return it to school by Monday, August 24, 2015.

You have three choices, please choose only

1. **Allow**
2. **Allow with Stipulations** (option to select certain publications without selection all publications)
3. **Refuse** to have your child's picture published.

Please check and sign the appropriate box
