Student Media Release

Dear Parents and Guardians,

Throughout the year we photograph students working on projects and participating in field trips, school assemblies, sporting events, and other school activities. As you are aware, pictures and names of students are frequently published in the local newspapers and newsletters. We would also like to include this information on our website. Please review the District's Web site policy stated below, then complete the form indicating your wishes in regards to having your child's picture and school work released.

Use of Student Names, Pictures, Original Work, and E-mail Addresses

The Board will allow the use of photographs of students, names of students, and displaying original work of students on web sites in accordance with the following guidelines:

Identifiable photographs of students and/or student's first names may be placed on the Internet only after the appropriate release form has been signed by the parents or guardians.
