8.4 RESOLVE to approve the resolution below opposing the proposed State of Ohio EdChoice Scholarship (Voucher) program.

RESOLUTION OPPOSING THE STATE OF OHIO ED-CHOICE SCHOLARSHIP (VOUCHER) PROGRAM

WHEREAS, the Ohio legislature has recently made amendments which greatly increase the number and availability of vouchers for students to attend private/parochial schools at public tax expense, and

WHEREAS, such vouchers will be available to numerous families and students who have never attended Buckeye Central or any other public schools and for whom state funding has never been provided to Buckeye Central or any other public schools, and

WHEREAS, Buckeye Central's state funding will be unjustly decreased by the amount of the vouchers provided to such families and students who have not and will not attend public schools and

others who transfer to private/parochial schools, and

WHEREAS, the loss of public tax revenue to the Buckeye Central Local School District over the next four (4) years is basically assured through EdChoice, and

WHEREAS, private/parochial schools accepting students with public tax vouchers would not be required to accept all students but would be permitted to retain their selective admission policies without enforcement of other laws applicable to public schools, and

WHEREAS, private/parochial school students are not subject to the testing standards required of public school students so that the actual performance of private/parochial schools subsidized with public tax dollars will not be known, relative to equivalent public school evaluation standards, and

WHEREAS, the State of Ohio has the constitutional responsibility to secure a thorough and efficient system of common schools, and

WHEREAS, the EdChoice voucher program will have exactly the opposite effect by providing funding to private/parochial schools at the expense and to the detriment of public schools and their students.

NOW, THEREFORE, BE IT RESOLVED by this Buckeye Central Local Board of Education that this Board reaffirms its commitment to free accessible public schools which are adequately and equitably funded to guarantee a comparable education for ALL children and therefore opposes and respectfully requests the repeal of the ill-conceived EdChoice voucher program of the State of Ohio.

BE IT FURTHER RESOLVED that this Board opposes any funding programs, vouchers or otherwise, that have the effect of diverting public tax dollars from public schools to private/parochial schools.

BE IT FURTHER RESOLVED that the Treasurer is hereby authorized and directed to forward copies of this Resolution to Ohio state legislators, the Superintendent of Public Instruction, and Governor of the State of Ohio.
