

Bitty Bucks Preschool

**is now accepting applications for the
2023-2024 school year**

Buckeye Central opened a new state-of-the-art preschool building in the spring of 2021 with every detail intentionally planned to meet the unique needs of Buckeye Central's youngest learners. In our first year, we were able to obtain the coveted 5-Star Step Up to Quality rating and have only been enhancing our program since.

Our Program provides play-based, developmentally appropriate activities in a safe and nurturing environment for children ages three to five years. Children with special needs learn alongside typically developing peers throughout most of the preschool day. Our curriculum aligns with the Ohio Department of Education's Early Learning and Development Standards and is focused on the development and well-being of young children while fostering an excitement for learning. Our engaging teachers are highly qualified with dual licensing in Early Childhood Education and Pre-K Special Needs.
