

**IMPORTANT - NEW Online Forms System and NEW Alert System  
at Buckeye Central Schools**

Buckeye Central is very excited to announce that we have partnered with FinalForms, an online forms and data management service that will be replacing paper forms. FinalForms allows you to electronically complete and sign athletic and back-to-school forms for your students. The most exciting news is that FinalForms saves data year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time!

**You will be receiving a confirmation email sometime near the end of June/beginning of July from FinalForms giving you access for your student. This email will have you confirm your FinalForms account that has been created for you based upon the email address you provided to the district.** We are asking ALL parents to use FinalForms to electronically complete ALL forms! On our district website in the Parent Resource Section, there will be a Parent Playbook that you can click on for more information on how to use FinalForms. If you require any support during the process, scroll to the page bottom and click "Use Support".

**If you are a new student to the district, please go to the school and register in the office with Mrs. Mary Rees and she will get your FinalForms account set-up for you at that time.** We have worked very diligently and carefully to include all required forms. However, since this is a new product, we are continuing to build and improve this platform. We ask for your patience as you may be asked to revisit the site to complete additional forms as needed. Our goal is to be as efficient as we can. Parents of athletes you may also find yourself filling out an online physical form when you already filled out a paper copy. This repetition will just be for the first year. Thank you for your assistance in streamlining our paperwork processes at Buckeye Central Schools.

Buckeye Central is also using a new alert system. Our new alert system is called "One Call Now". **You do not have to take any action to get alerts from this new system.** This system will be setup to call you with the phone number you have provided to the district that we have in our student information system. However, we will provide instructions to you in the Parent Resources section of our website if you would like to personalize how you receive alerts. These instructions will be posted sometime in late July/early August. You may add up to 6 phone numbers and 5 email addresses. You may choose to receive calls, emails, texts, or a combination of all three.
