Parents Right-to-Know

Parents have the right to know about the teaching qualifications of their child's classroom teacher in a school receiving Title I funds. The federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following:

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
3. Whether the teacher is teaching in the field of discipline of the certification of the teacher;
4. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

Requests for teacher information should be directed to your school's principal. Parents may also contact the Buckeye Central Local School District Administrative Office at 938 South Kibler, New Washington, OH 44854 or call 419-492-2864.

Please provide the following information with your request:

- Child's full name
- Parent/guardian full name
- Address
- City, state, ZIP
- Teacher's name

Timely Notification

Federal law (ESEA 1112(e)) requires that schools receiving federal Title I funds notify parents individually when a teacher who is not licensed in the subjects they teach instructs their child. In the event that your child is taught by a teacher for four or more consecutive weeks who does not meet state certification requirements, parents will be notified individually via a letter from the district.

At any time, parents may request:

- Information on policies regarding student participation in assessments and procedures for opting out, and
- Information on required assessments that include subject matter tested,
- Amount of time it takes students to complete the test, and
- Time and format of disseminating results

Sincerely,

Diane Ervin
Director of State and Federal Programs
